Practical, affordable and healthy services that make life easier for your employees

SUPERIOR QUALITY CONCIERGE SERVICES

Savviva is the market leader in corporate concierge services in Belgium. Our practical, affordable and healthy services make life easier for your employees. An advantage that is an integral part of the compensation and benefits package offered by employers who want to recruit and retain the best staff.

WE AIM TO CREATE A BETTER WORK-LIFE BALANCE

Our goal is to improve the well-being of your employees, both at work and at home, by offering and arranging a wide range of services in an efficient manner: From dry-cleaning, ironing and car wash to childcare and much more. After all, happy employees are better motivated and perform better!

A PERSONALISED APPROACH, TAILORED TO THE CUSTOMER

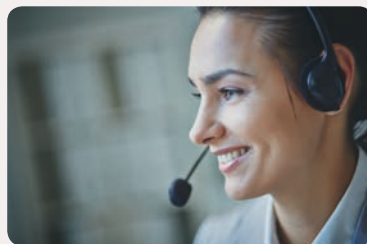

We listen to your needs and ensure the service implementation within your organisation. Our experienced professionals make all the difference: Together with you, we define the approach and advise with respect to services, logistics, communication and administrative setup.
