

## ONLINE SHOP | BUILDING SERVICES | INVOICING & ADMIN

All your corporate and residential products and services available in one single place

### YOUR PRODUCTS AND SERVICES AVAILABLE ONLINE

Savviva is the market leader in corporate and residential concierge services in Belgium. Every day we strive for innovation and perfection. With Savviva Marketplace, we respond to the needs of our customers: Making all concierge and building products and services available on an intuitive and easy to use online platform.

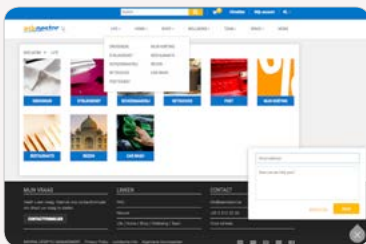

### CONSOLIDATE YOUR BUILDING SERVICES IN ONE PLACE

Savviva Marketplace allows you to consolidate existing services such as building room reservations, spa opening hours, or restaurant menus and combine them with new services such as e-bicycle reservations, employee wellbeing or handyman services. The result is a beautifully designed service marketplace, available to your customers.

### A DIGITAL SERVICES PLATFORM, TAILORED TO YOUR NEEDS

At Savviva, everything revolves around excellent personal service. That goes for our technology too: The functionality, branding and design of your digital platform are personalised. We discuss the possibilities, you decide, and we implement. Marketplace allows for secure multi-site, multi-tenant operations.
